

# CAFÉ CONVERSATIONS

EVERY MONDAY

3:00 – 4:30

AVANTI, BEDFORD CORNER, W4 1LD

Would you like to meet new people and have a change of scene?

Come along for lively conversation on a variety of topics with friendly people of all ages and backgrounds.

There is a long list of interesting ideas for discussion. Everyone is encouraged to choose a question that interests them, to contribute to the conversation and to listen to one another's answers with respect.

We avoid talking about politics, religion and personal issues. There are always two hosts who make sure that everyone has a chance to speak.

**DON'T BE SHY, GIVE IT A TRY, EVEN IF YOUR ENGLISH ISN'T PERFECT.**

It's free and there is no obligation to spend money in the café.
